Our Policy

Greetings,

This price list is designed to make your event planning easy and enjoyable. Please take a moment to familiarize yourself with our rental policy.

Delivery service is available on orders of rentals at a rate based on your distance from our store. We will make every effort to make deliveries or pick ups at the customer's convenience. When you call on the morning of a delivery, we will be able to approximate the time. Delivery is to the ground floor level, backyard or tent within a reasonable distance and does not include set up or break down. If arranged in advance, we can set up and break down tables and chairs for an additional charge.

Equipment is normally picked up the day after the party (excluding Sundays and holidays). After your party the tables and chairs are to be stacked, ready for pick up at the same place they were delivered. All equipment must be protected from the weather from the time of delivery to the time of pick up. Your china, glassware, flatware, and serving pieces have been sanitized and are table ready. Please return rental items to their racks food free and rinsed.

We charge a 12% Damage Waiver on all rental items. This fee covers your liability for accidental damage to the equipment while you have it. This is an optional waiver. If you choose to decline it you must do so at the time you place your order. Please ask if you have any questions about this charge.

All Changes to your order must be made on or before the Monday before your event. At this time, payment is also appreciated.

Thank you and Enjoy!

There are a variety of other sizes available to suit the exact need of your party.* Please ask for a recommendation if you have any questions on size.
